

ALMOST HOME CHILDCARE FAMILY GUIDE

Discipline and Guidance-

We state the rules clearly and let the children know what the expectations are. The best way to change and redirect behavior is through positive reinforcement. When a child needs redirection we let them know what it is that we do not want them to do again. We let the child know what it is we would like them to do instead. If the child continues to make the wrong choice, we may remove them from the group activity until behavior has improved. If a child is hurting other children or staff, we will talk to the parents and let them know that this behavior will not be accepted. The second time we must talk to a parent the child will be suspended from child care for a certain number of days. The third time we must talk to a parent the child will be excluded from child care. Under no circumstances are children allowed to emotionally traumatize others. We will immediately contact the child's parents if this happens. If, after the parents have been contacted the child does it again, they will be excluded from child care. Physical punishment of any kind is prohibited.

Damages-

If, your child breaks or damages something because of an outburst or tantrum, you will be subject to liability for the cost to replace the item or property. We will take careful consideration of an incident to determine if, it was an uncontrollable accident or merely an act of habitual behavior or outrage?

Meals-

A nutritious breakfast, lunch, and pm snack will be served daily following the USDA standards. Your child must be at childcare by 8:25am to be served BREAKFAST. After 8:25am, your child will be served breakfast upon request and a \$10 fee will apply. I serve my children dinner at 6:30pm, if your child is picked after 6:30pm, I will serve them dinner too and an additional \$10 charge will be applied to your next week's tuition along with a late pick up fee. A weekly menu is posted for your review. If your child has any special considerations or food allergies, please let know at time of registration.

Parent Communication-

Being a parent myself I know how important and exciting it is for you to know how your child is developing and the progress they are making. We have an open-door policy, so you are welcome to come visit your child while in care at any time, please keep in mind children do rest from 1:30pm to 3:30pm.

*Please present common daily matters to any staff on-site. If, the matter is major or regards, finances, child wellbeing, changes in schedule, etc. ; please present all these matters directly to the Director, Ms. Paula Doyle. Since children will be playing on the floors and carpets in our home we ask that you and your children kindly remove your shoes before entering. This helps to ensure a healthy and clean environment for your children.

Hours of Operation-

We are open from 7:00am to 6:00pm. Due to our personal family obligations, for every 15 minutes after your scheduled hours of care a late charge of \$25.00 will apply and be added to your account.

Holidays-

We will be closed for 9 days for Holidays. Christmas Eve Day, Christmas Day, New Year's Eve Day, New Year's Day, Thanksgiving & Black Friday, Labor Day, Memorial Day and Fourth of July. If, a Holiday falls on a Saturday, it will be observed the prior Friday. If, a Holiday falls on a Sunday, it will be observed on the following Monday. Your regular rate of tuition will apply to these holidays.

Arrival & Departures-

The Child Care Division requires that each child be signed in and out every day. You will be required to sign them in and out every day. For your child's safety please escort them up to the front door and ensure that they are inside safely. If, someone other than the legal parent or guardian will be picking up the child we must be notified in writing in advance. They will be asked to show a photo ID. Only people listed in your child file as authorized will be permitted to take your child without prior written notice. Late arrivals: after 11 AM must be approved and notification must be given 48 hours in advance as to insure proper staffing and reduce interruption into the groups daily routines.

PARKING-

Upon, arrivals and departures for safety always, park in DRIVEWAY as FIRST choice. Insure to place vehicle to one far side or the other far side of driveway, as

to allow space for other vehicles and families to drop off and pick-up children. Never, place a vehicle in center of driveway. This is for safety and only use curbside of streets as a last method.

Absences-

Please call and let me know by 7:30am if your child will be late or absent for the day. This helps with planning for the day's activities and meals. Due to the Child Care Divisions licensing requirement and the USDA Food Program, no refunds can be given due to absences.

Daycare Closure and Vacation-

Our family, will be taking 10 DAYS of vacation during the year; you will be charged for these DAYS for tuition while our daycare is closed. We will give you at least 30 days prior notice to our vacation time. If, needed I may take up to 5 additional paid sick or personal days for appointments or education during the calendar year with best reasonable notice. Regular tuition is collected for these days as well. Also, we may close the daycare during inclement weather that prohibits safe access to and around the premises. Tuition will not be waived for these types closure days. As much reasonable notice will be given for such occasions.

Medications & Illness-

Per the Washington County Health Department, all children in care must have their immunizations current. Please keep us informed when a new immunization is given to keep our records up to date. A copy of immunizations will be required at registration and before your child's first day of care. We do everything possible to keep your child healthy including teaching them about proper nutrition, exercise, and regular hand washing. In our effort to safeguard all children's health that are in our care, we ask that you not bring your child to care with a rash, diarrhea, vomiting, severe cough, or fever. A child's fever must be normal at 98.6 for at least 24 hours before they may return to care. Your child must be able to participate in the regular schedule activities for the day. If, your child becomes ill during the day you will be notified and required to pick up your child immediately. The child will be kept separate from the other children until you arrive. We may request a doctor's note in some instances for your child to be able to return to care. We can administer medicine prescribed by your physician. To do this you will need to sign a medication form for each occurrence authorizing us to dispense any medication. The medication must be in its original container that clearly states the prescribed dosage, the child's full name, date, and your doctor's name. Please do not leave medication in your child's backpack or diaper bag. All medication will be stored securely and by instructions indicated on the bottle.

What to bring-

If your child is not yet potty trained please supply enough diapers & wipes for one week of care. Children will be changed every hour and 30 minutes except during rest time. We will be offering a wide range of activities, it is recommended that you send your child in play clothes your child may get dirty and we don't want to see a favorite dress, or a new pair of shoes be ruined. Please ensure your child has

appropriate clothing for outdoor play. Your child will also need 2 complete changes of clothes to be brought daily or kept in his cubby at child care. You are encouraged to send a pair of rain boots and a jacket or sweater as well. If you child is still taking a bottle please send 2 labeled bottles to keep at the child care. Please label all personal items, it is very difficult to keep track of little socks and jackets if they are not labeled properly. Your child will need a blanket for rest time, at rest times children are more comfortable with their personal blankets and a sleeping buddy like a favorite teddy bear. Blankets will be washed weekly on Fridays or as needed. We brush twice a day; a toothbrush will be needed for after breakfast and lunch. Please keep all toys, candy, and other personal items at home. Toys and personal items could be lost or broken which can be very upsetting to your child. We will not be held responsible for any personal items that are lost or broken during child care.
